River 420

Small boats , big adventures!

River Boats have built high quality seaworthy boats in Norway since 1995. An award-winning modular design focusing on high levels of safety, functionality and low cost of ownership.

The River 420 is the perfect overall boat for the entire family. The boats unique qualities makes it stable, sporty, easy and fun to drive for youngsters, while also spacious enough to fit a family of 5. The boat is robust and steady, perfect for active use in any weather or season.

The River 420 is s a practical inexpensive boat with modern user friendly features and is available in a variety of colors, with or without XR steering console kit. River Boats have delivered over 12 000 boats to satisfied customers worldwide for a variety of uses.

River Boats

River 420

River Boats - simple boating, safe and affordable!

Our boats are manufactured from environmentally friendly polyethylene, which is extremely impact resistant and durable, as well as requiring minimal maintenance.

River Boats are 100% recyclable and sustainable. The trademark hulls are best described as a hybrid between catamaran and V-hull, providing high levels of stability and handling.

Recognitions:

Member of Norboat (Norwegian Boat industry Association)

Member of NBL (Norwegian Boatbuilders Association)

We are proud of the Norwegian boatbuilding tradition. DNV-GL approved as an addition to the mandatory CE marking.

River Boats have been awarded the MFGD (Certificate of excellence for -Design) by DOGA, the Norwegian Design Council.
